This is compromised
Late to realize
I did something wrong
It was just my fault
Now I've lost my sight
Something burns inside
Had it for to long
Tears run down my throat

This love's not making scars anymore
Don't breath a word about our joke

Chocking Away
When everything's better than live today
Dreaming of you Feel so abused

Chocking Away
When everything's better than live today
Dreaming of you

Show me what you Hide
Look at you you're dying
Everything I've known
It's the past, move on
I Tried to stop I tried
It's so hard to say
Had it for to long
Tears run down my throat

This love's not making scars anymore
Don't breath a word about our joke

Chocking Away
When everything's better than live today
Dreaming of you Feel so abused

Chocking Away
When everything's better than live today
Dreaming of you

Feel so abuse here time I've spent it feels so used
When everything's better than live today

Chocking Away
When everything's better than live today
Dreaming of you Feel so abused

Chocking Away
When everything's better than live today
Dreaming of you Feel so abused

Chocking Away
When everything's better than live today
Dreaming of you Feel so abused

Chocking Away
When everything's better than live today
Dreaming of you Feel so abused
