### Verse 1

My momma used to tell me  
Don't fall for them  
But I'm always in a hurry  
When I talk to him  
I Feel like I'm lost  
In all my thoughts  
I don't know if  
Were meant to be

### Chorus

When I'm with you  
I just can breath  
When I'm away  
I try to see you in my dreams  
When I'm with you  
I feel okay  
When I'm away  
I just can't say  
How good it feels  
When I'm with you

### Verse 2

My head is always spinning  
When I think of you  
I think I will go blind  
If I don't see you  
This is so frustrating  
I know it's true  
That doesn't mean  
I'm done with you

### Chorus

When I'm with you  
I just can breath  
When I'm away  
I try to see you in my dreams  
When I'm with you  
I feel okay  
When I'm away  
I just can't say  
How good it feels  
When I'm with you

### Bridge

I tried to remember

The first time we met  
I almost forgot about  
What I said  
Chorus x2  
When I'm with you  
I just can breath  
When I'm away  
I try to see you in my dreams  
When I'm with you  
I feel okay  
When I'm away  
I just can't say  
How good it feels  
When I'm with you
