She put him out... like the burning end of a midnight  
cigarette  
She broke his heart... he spent his whole life trying to  
forget  
We watched him drink his pain away a little at a time  
But he never could get drunk enough to get her off his  
mind  
Until the night

He put that bottle to his head and pulled the trigger  
And he finally drank away her memory  
Life is short, but this time it was bigger  
Than the strength he had to get up off his knees  
We found him with his face down in the pillow  
With a note that said I'll love her till I die  
And when they buried him beneath the willow  
The angels sang a whiskey lullaby  
La-la-la-la la la la  
La-la-la-la la la la  
La-la-la-la la la la  
La-la-la-la la la la

The rumors flew... but nobody knew just how she  
blamed herself  
For years and years... she tried to hide the whiskey on  
her breath  
She finally drank away her pain a little at a time  
But she never could get drunk enough to get him off  
her mind  
Until the night

She put that bottle to her head and pulled the trigger  
And she finally drank away his memory  
Life is short, but this time it was bigger  
Than the strength she had to get up off her knees  
They found her with her face down in the pillow  
Clinging to his picture for dear life  
They laid her next to him beneath the willow  
While the angels sang a whiskey lullaby  
La-la-la-la la la la  
La-la-la-la la la la

La-la-la-la la la la  
La-la-la-la la la la  
La-la-la-la la la la  
La-la-la-la la la la  
La-la-la-la la la la  
La-la-la-la la la la
