THE BALLAD OF DWIGHT FRYE

I was gone for fourteen days  
Could have been gone for more  
Held up in the intensive care ward  
Lyn on the floor  
I was gone for all those days  
But I was not all alone  
I made friends with a lot of people  
In the Danger Zone

See my lonely life unfold  
I see it every day  
See my only mind explode  
When I'm gone away

I think I lost some weight there  
And I really need some rest  
Sleeping don't come very easy  
In a straight white vest  
Shaw'd like to see those little children  
She's only four years old  
I'd give her back all of her playthings  
Even those I stole

See my lonely life unfold  
I see it every day  
See my only mind explode  
When I've gone insane

[Extra verse from the Alice Cooper original, sung live sometimes]:

I grabbed my hat and I got my coat  
And I ran into the street  
I saw a man that was choking there  
I guess he couldn't breathe  
Said to myself this is very strange  
I'm glad it wasn't me  
But now I hear those sirens callin'  
And so I am not free

See my lonely life unfold

I see it every day  
See my only mind explode  
When I've gone insane
