maybe since I'm mad inside my heart
set go and let it affect me
tried hard to let her stay
When she's like a piece of candy
I know
Nasty, gonna let it toss away.

Pigs don't let it (4x)
No no no
Like a hole when I needed somebody I know
Pigs don't let it
No no no
Like sinners, watch and rock and roll
Pigs dont' let it
No no no no no

Maybe since I'm mad inside my heart
Set go and let it affect me
tried hard to let her stay
WHen she like a piece of candy
I know
Nasty gonna let it toss away
