I know something that you would never believe
I wish I was able to finally make you agree.

Now you set me straight
And you told me things
Then erased my slate
I'll do what you say
As long as you feel
And I can be had
Without sex appeal

I know something that you would never believe
I wish I was able to finally make you agree.
It's times like this, baby, that makes it all seem
worthwhile
I'm lookin' for something that I can find in a smile.

On this street where time has died
The golden treat you never tried
In times of old in days gone by
If I could catch your dancing eye

It was on the way yeah
On the road to dream yeah
And my heart's drowned in my love stream yeah
My heart's drowned you oh ye

On this dark street the sun is black
The winter life is coming back
On this dark street it's cold inside
There's no retreat from time that's died

It was on the way yeah
On the road to dream yeah
And my heart's drowned in your love stream yeah
My heart's drowned in your oh ye
