I know something that you would never believe
I wish I was able to finally make you (agree).

Now, you set me straight
You told me things
That heroes must make???
I'll do what you say
As long as you feel
And I can be had
Without sex appeal

I know something that you would never believe
I wish I was able to finally make you (agree).
It's times like this, Baby that makes it all seem
worthwhile.
I'm lookin' for something that I can find in a smile

Now, you set me straight
You told me things
That heroes must make????
I'll do what you say
As long as you (feel)
(that) I can be had
Without sex appeal.
