"WITH YO' HEART, NOT YO' HANDS" - 1990 Sympathy
For The Record Industry 7"
(Malfunkshun cover)

With yo' heart, not yo' hands
With yo' heart, not yo' hands
Do you understand, baby?

Lost little woman, your loss is yours
You feel my power, you're caught in a monkey grip
Food for a feelin, loosing your mind
Still I'm stoned so I can't deny,
A muscle a chop your loin one time

With yo' heart, not yo' hands
Love me, love me, love me
Do you understand, baby?
With yo' heart, not yo' hands
You know, baby, baby

Cry mr. yellow, 'cause it's yours that's for sure (hit me)
You two feel my power, and you call me the Cassanova
Food for a poison, your mind is blank
Still I'm stoned so I can't deny
Your bottle, bottle, bottle of love

Love me with yo' heart, not yo' hands,
With yo' heart, not yo' hands
One time for the man
Baby with yo heart not your hands,
Baby love me, love me

Don't ask my name, man, I am free, I am free
I'm a make it on my own time, look at me, look at me
And all my time is my own time, so I don't wanna know
And I'm a make it all like a.... one time

With yo' heart, not yo' hands, baby, love me, love me
With yo' heart, not yo' hands, baby, yeah
Do you understand, baby? love me, love me
And i said, and i said...
