Sooner or later this happens  
To everyone, to everyone

You can live your life lonely  
Heavy as stone  
Live your life lonely  
And walking alone

Say this all you want  
But I don't believe that it's true  
'Cause when you least expect  
Waiting 'round the corner for you

Love comes quickly and whatever you do  
You can't stop falling  
Love comes quickly and whatever you do  
You can't stop falling

You can live a life of luxury  
If that's what you want  
Taste forbidden pleasures  
Whatever you want

You can fly away to the end of the world  
But where does it get you?  
'Cause when you least expect it  
Just what you least expect

Love comes quickly and whatever you do  
You can't stop falling  
Love comes quickly and whatever you do  
You can't stop falling

I know it sounds ridiculous  
But speaking from experience  
It may seem romantic, that's no defense  
Love will always get to you

Sooner or later this happens  
To everyone, to everyone

You can fly away to the end of the world

But where does it get you?  
Love comes quickly and whatever you do  
You can't stop falling, ah

Love comes quickly and whatever you do  
You can't stop falling, ah  
Love comes quickly and whatever you do  
You can't stop falling, ah

Love comes quickly and whatever you do  
You can't stop falling  
Ahh
