I'm gon' tell everybody, what that Chickasaw has done
done for me
I'm gon' tell everybody, what that Chickasaw has done
done for me
She done stole my man away, and blow that doggone
smoke on me
She's a low down dirty dog
I ain't no woman, like to ride that Chickasaw
Ain't no woman, like to ride that Chickasaw
Because everywhere she stop, she's stealing some
woman's good man, oh
She's a low down dirty dog
I told the depot this mornin', I don't think he treats me
right
Told the depot this mornin', I don't think he treats me
right
He done sold my man a ticket, and I know that
Chickasaw leavin' town tonight
He's a low down dirty dog
I walk down a railroad track, that Chickasaw even
wouldn't let me ride the blind
I walk down a railroad track, that Chickasaw wouldn't
even let me ride the blind
And she stop picking up men, all up and down the line
She's a low down dirty dog
Mmm-mmm, Chickasaw don't pay no woman no mind
Mmm-mmm, that Chickasaw don't pay no woman no
mind
And she stop pickin' up men, all up and down the line
