Hoodoo lady, how do you do?
They tell me you take a boot and turn it to a brand new
shoe
But don't put that thing on me
Don't put that thing on me
Don't put that thing on me
'Cause I'm going back to Tennessee

Hoodoo lady, you can turn water to wine
I been wondering where have you been all this time
I'm setting here, broke, and I ain't got a dime
You ought to put something in these dukes of mine
But don't put that thing on me
Don't put that thing on me
Don't put that thing on me
'Cause I'm going back to Tennessee

(spoken: Boy, you better watch it 'cause she's tricky)

Hoodoo lady, I want you to unlock my door
So I can get in and get all my clothes
But don't put that thing on me
Don't put that thing on me
Don't put that thing on me
'Cause I'm going back to Tennessee

Now look-a here, hoodoo lady, I want you to treat me
right
Bring my man back home but don't let him stay all
night
And don't put that thing on me
Don't put that thing on me
Don't put that thing on me
'Cause I'm going back to Tennessee

(spoken: Boy, she's tricky as she can be. Better watch
her, too)

Why look-a here, hoodoo lady, I'm your friend
When you leave this time, come back again
But don't put that thing on me

Don't put that thing on me
Don't put that thing on me
'Cause I'm going back to Tennessee

(spoken: Boys, I'm scared of her
