AIN'T LOVE A GOOD THING

(Dallas Frazier)

»

Blues go ahead and knock upon my door you can't hurt  
me anymore

Um-um ain't love a good thing

Rain go ahead and let it rain all night in the morning I'll  
be dry

Um-um ain't love a good thing

Ain't it good to know love can take away the rain

And make the sunshine again

And ain't it good to know love can take a lonely dream

And turn it into a real thing

Um-um ain't love a good thing um-um ain't love a good  
thing

Pain find yourself another heart to ache and another  
mind to break

Um-um ain't love a good thing

Time find yourself another fool to waste and another  
place to stay

Um-um ain't love a good thing

Ain't it good to know...

Um-um ain't love a good thing

Ain't love a good thing good thing

Ain't love a good thing
