(Carmol Taylor - Jenny Strickland)

All the praises should be given to my Jesus  
He's the one who helped me when I was down all the  
way

All the praises should be given to my Saviour  
He's the one who made me what I am today.

It's so good to hear the words congratulations  
It's so good to know at last success is mine  
But as I stand here in the midst of all this honor  
There's a precious face that's smilin' on my mind.

All the praises should be given to my Jesus  
'Cause he's the one who helped me up when I was  
down all the way

All the praises should be given to my Saviour  
He's the one who made me what I am today.

Yes Jesus, made me ev'rything I am today...
