(Bob Montgomery - Allen Toussaint)

I'm back in baby's arms
How I've missed those lovin' arms
I'm back where I belong
Back in baby's arms.

Don't know why we quarrel
We never did before
Since we found out how it hurts
I bet we never quarrel anymore.

I'm back in baby's arms
How I've missed those lovin' arms
I'm back where I belong
Back in baby's arms.

--- Instrumental ---

Thought I didn't need his love
Till it's chipped all away
Now I'm back where I belong
And in my baby's arms I'm gonna stay.

I'm back in baby's arms
How I've missed those lovin' arms
I'm back where I belong
Back in baby's arms.

I'm back in my baby's arms
How I've missed those lovin' arms
I'm back where I belong
Back in baby's arms...
