Cincinnati, Ohio, Cincinnati, Ohio

One more hour and I'll be home
Close my eyes and rest my bones
Can't be more than a mile or so
From Cincinnati, Ohio, Cincinnati, Ohio

Cincinnati where the river winds
Cross the Mason and the Dixie Line
Heaven waits for me I know
In Cincinnati, Ohio, Cincinnati, Ohio

I guess perhaps the memories got too strong
Grabbed me by the heart strings and pulled me home
I got to thinkin' 'bout some friends I know
In Cincinnati, Ohio, Cincinnati, Ohio

Cincinnati, Ohio, Cincinnati, Ohio

I walked halfway from Lewie Ville
Now there she lies at the foot of the hill
Shinin' like a jewel in the valley below
Cincinnati, Ohio, Cincinnati, Ohio

Cincinnati where the river winds
Cross the Mason and the Dixie Line
Heaven waits for me I know
In Cincinnati, Ohio, Cincinnati, Ohio

Cincinnati where the river winds
Cross the Mason and the Dixie Line
Heaven waits for me I know
In Cincinnati, Ohio, Cincinnati, Ohio
