Cincinnati Ohio

(Cincinnati Ohio Cincinnati Ohio)

One more hour and I'll be home
Close my eyes and rest my bones
Can't be more than a mile or so
From Cincinnati Ohio Cincinnati Ohio

Chorus:

Cincinnati where the river winds
Cross the Mason and the Dixie Line
Heaven waits for me I know in
Cincinnati Ohio Cincinnati Ohio

I guess perhaps the memories got too strong
Grabbed me by the heart strings and pulled me home
I got to thinkin' bout some friends I know
In Cincinnati Ohio Cincinnati Ohio

Repeat Chorus

(Cincinnati Ohio Cincinnati Ohio)
I walked half way from Lewisville now
There she lies at the foot of the hill
Shinin' like a jewel in the valley below
Cincinnati Ohio Cincinnati Ohio

Repeat Chorus
