"Don't Forget I Still Love You"

(Don't forget I still love you every day we're apart)
Someone else will be kissing you but you'll still be in my
heart
Don't forget I still love you when her arms hold you
tight
Just remember that I still care though I'm not with you
tonight
When I told you I love you I promised I'd be true
And I'll keep that promise my whole life through
I could never forget you and how our love used to be
Goodbye my darling and don't forget you can always
come back to me
I could never forget you...
