(Guy Louis)

Don't forget I still love you
Every day we're apart
Someone else will be kissing you
But you'll still be in my heart.

Don't forget I still love you
When her arms hold you tight
Just remember that I still care
Though I'm not with you tonight.

When I told you I love you
I promised I'd be true
And I'll keep that promise
My whole life through.

I could never forget you
And how our love used to be
Goodbye my darling and don't forget
You can always come back to me.

I could never forget you
And how our love used to be
Goodbye my darling and don't forget
You can always come back to me.,,
