Don't walk away from me darling is that the way it has  
to be darling  
Can't we start our love anew don't tell me our love is  
through  
Oh darling please don't walk away  
Now that you want to go darling I realize I love you so  
darling  
Don't turn your back on me I don't want to be set free  
Oh darling please don't walk away  
[ steel ]  
I know now I put everything above you so how were you  
to really know I love you  
Yes I was blind but now I see that you say you still love  
me  
And darling please don't walk away  
Don't walk away from me darling is that the way it has  
to be darling  
Can't we start our love anew don't tell me our love is  
through  
Oh darling please don't walk away my darling tell me  
that you'll stay
