(Kathryn R. Fulton)

(Now I guess that I'm the biggest fool of all.)

Am I fool No. 1 or am I fool No. 2
How many other girls have been fooled by you
I suppose that the number is far from being small
And I'll bet that I'm the biggest fool of all.

If I had the chance I guess I'd do it all again
I'd go down that same old road even knowing at the
end
You'd leave me when your heart hears a new love call
So I guess that I'm the biggest fool of all.

Am I fool No. 1 or am I fool No, 2
How many other girls have been fooled by you
I suppose that the number is far from being small
And I'll bet that I'm the biggest fool of all.

Yes, I guess that I'm the biggest fool of all...
