I know that you've been foolin' round on me right from
the start

So I'll take back my ring and I'll take back my heart
And when you're tired of foolin' round with 2-0-3
Then come on home and fool around with me

Well I wasn't foolin' round the day I said I'd do
But many a night I wished that I've been foolin' too
I know it's foolish takin' all this misery but when it's you
a fool I'll always be

I know that you've been foolin'...

[steel - guitar]

So honey fool around you'll know right where I'm at
Don't worry if I'm lonesome cause I'm used to that
And when you're tired of foolin' round with 2-0-3
Then come on home and fool around with me
I know that you've been foolin'...
