If it ain't love then  
Let's don't even let it start  
Lets leave it alone  
If it ain't love then  
Let's don't temp our foolish hearts  
Lets leave it alone

Happiness is free just like a rollin' stone  
And only love can make it stay at home  
Feeling's have a way of mixin' right with wrong  
If it ain't love let's leave it alone

If it ain't love then  
Let's don't even let it start  
Lets leave it alone  
If it ain't love then  
Let's don't temp our foolish hearts  
Lets leave it alone

Togetherness can fade like the music of a song  
It comes and goes like the breaking of the dawn  
How could we hang on to somethin' that was gone  
If it ain't love let's leave it alone

If it ain't love then  
Let's don't even let it start  
Lets leave it alone  
If it ain't love then  
Let's don't temp our foolish hearts  
Lets leave it alone

If it ain't love then  
Let's don't even let it start  
Lets leave it alone  
If it ain't love then  
Let's don't temp our foolish hearts  
Lets leave it alone
