If my heart had windows you'd see a heart full of love
just for you

A tear may appear when I hold you near but that's for
the sweet things you do

If my heart had windows you'd see a heart full of love
just for you

By your side I will stay till we're old and gray
reminiscing the moments we knew

If my heart had windows you'd see a heart full of love
just for you

[steel]

A thief couldn't steal the joy that I feel heaven for me
has come true

If my heart had windows you'd see a heart full of love
just for you

Oh by your side I will stay...
