(Can't you see that I'm waiting to share my world with you)

[ Nat ]

I'll share my world with you everything that I own  
My earthly possessions there's no good if I'm alone  
Let me bring you the sunshine when it's fresh with  
morning dew

[ Both ]

Can't you see that I'm waiting to share my world with you

[ Connie ]

I'll share my world with you if you'll be mine alone  
I'll give you a new heart you're the only love it's known  
Let me give you my two arms they'll be happy if you do

[ Both ]

Can't you see they are waiting to share my world with you

[ Nat ]

I'll share my world with you everything that we see  
Divide all the mem'ries one for you and one for me

[ Connie ]

Let me give you my two lips they'll be smiling if you do

[ Both ]

Can't you see they are waiting to share my world with you

Can't you see that I'm waiting to share my world with you
