Heart I'm ashamed of you lips I'm ashamed of you
You've betrayed me and you've made me love him and
he's not free
Arms I'm ashamed of you aching the way you do
I'm ashamed of you but mostly I'm ashamed of me

Eyes you looked right past his wedding band and all
you saw were lips you long to kiss
Fool you taught him into holding hands and now you're
letting tear me up like this
Heart I'm ashamed of you...
[steel]
Mind you let him drive me out of you for you're made
up to win his love somehow
Conscience ain't there something you can do cause if
there is you'd better do it now
Heart I'm ashamed of you...
