A lots of folks have told me I got poor
For I got right a winter apple picked up in the fall
But even as a young'n I was not the bashful type
Cause I could yell up loud to stop them all
I'm little but I'm loud I'm poor but I'm proud
I'm countrified and I don't care who knows it
I'm like a Banty Rooster in a big red rooster crowd
I'm puny short and little but I'm loud
[fiddle]
I learned to do my singing walking long behind a plow
The singing teacher always passed me by
And so I had to sing the only way I know how just rear
back open up and let her fly
Well I'm little but I'm loud...
[steel - ac.guitar]
Well I sang a special solo song in church one Sunday
morn
And I was plumbin' barest to my skin
I hit a high and turn around and as sure as I was burn
Two cows and fourteen herses come walking in
I'm little but I'm loud...
I'm puny short and little but I'm loud
