When you found somebody new  
I thought I never would  
Forget you  
For I thought then I never could

But time has taken all the pains away  
Until now, I'm down to hurtin'  
Once a day

Once a day  
All day long  
And once a night  
From dusk till dawn

The only time  
I wish you weren't gone  
Is once a day  
Everyday, all day long

I'm so glad that I'm not like  
A girl I knew one time  
She lost the one she loved  
Then slowly lost her mind

She sat around and cried her life away  
Lucky me  
I'm only cryin' once a day

Once a day  
All day long  
And once a night  
From dusk till dawn

The only time  
I wish you weren't gone  
Is once a day  
Everyday, all day long

Once a day  
Everyday, all day long
