SOMEONE TO GIVE MY LOVE TO

(Jerry Foster - Bill Rice)

© '72 Jack & Bill Music

Well I could search from now to the end of the time
never find another you
I'm so glad because I know you're mine someone to
give my love to
Well I believe my love that you're one of the kind for
there's no one else like you
You're the light of my life so let it shine someone to
give my love to
Well I find happiness is lovin' you and I'll do my best to
make your dreams come true
Now I will follow you to the end of the earth for my
place will be with you
Well I have taken you for better or worse someone to
give my love to
Well I find happiness is lovin' you and I'll do my best to
make your dreams come true
Days of man-and-wife-time are precious few I will
spend them all with you
Then beyond forever I'll wait for you someone to give
my love to
Mhmm mhmm mhmm mhmm
Well you're the light of my life so let it shine shine on
me my whole life through
Well you're the light of my life so let it shine I need
someone like you
