### SOUL SONG

(Billy Sherrill - Norro Wilson - George Richey)

Mhm mhm mhm

You're my soul song my everything-that-I-do song

My pick-me-up-when-I'm-blue song that's why I sing all  
the time

You're my soul song and that's why I call you my solid-  
gold song

Nothin' in the world could ever go wrong as long as you  
are mine

Never in the world have I seen anybody like you in all  
my time

You give me a feel good feelin' through and through  
and it's so fine

I'm up with the sun cause I don't wanna waste it

I love you so much I can almost taste it

I can sit still when I look up and see you comin' I start  
hummin' hmm

You're my soul song my keep-me-safe-from-all-harm  
song

My shelter-from-all-storm song that's why I sing all the  
time

You're my soul song my keep-me-warm-when-I'm-cold  
song

Nothin' in the world could ever go wrong as long as you  
are mine

You're my soul song...
