Now the hurtin's all over
All o-over me

A year ago today
I felt like dy-yin'
As unloved and unwanted
As a heart could be
But time has a way
Of changing yester-erday
Now the hurtin's a-all o-over
All o-ver me

Yes the hurtin's a-all over
All over my body-y-y
It started in my heart
And it spread all over me
Father time did his part
Took the hurt out of my heart
Now the hurtin's a-all o-over
All o-over me

Now my arms ache to hold you
Like they used to do
And my eyes ache for the love light
They no longer see
How I miss your caress
How my lips ache to be kissed
Yes the hurtin's a-all o-over
All o-over me

Well the hurtin's a-all over
All over my body-y-y
It started in my heart
And it spread all o-over me
Father time did his part
He took the hurt out of my heart
Now the hurtin's a-all o-over
All o-over me
Now the hurtin's a-all o-over
All o-over me
