Baby I can't believe you I can barely conceive you
Cause baby you're just too good to be true impossible
you
Well the Sandman must be scheming playing games
with my dreaming
Cause baby you're just too good to be true
Every morning I rise and shine and then start rockin'
and reelin'
Can't seem to keep myself from gettin' this crazy
tinglelin' feelin'
If I'm a dreamin' and makin' you up then I don't want
anyone wakin' me up
Cause baby you're just too good to be true
[guitar]
Every since the day I met you I've been workin' on a
plan to get you
Cause baby you're just too good to be true sweet
lovable you
Well I know that it's not practical fall in love with a
miracle
Oh baby you're just too good to be true
Every morning I rise and shine and then start rockin'
and reelin'
Can't seem to keep myself from gettin' this crazy
knockin' down feelin'
If I'm a dreamin' and makin' you up then I don't want
anyone wakin' me up
Cause baby you're just too good to be true
I'm believable you oh baby you're just too good to be
true
