"When I Sing For Him"

When I sing for him oh praise God's holy name I can
feel his presence in my soul
When I sing for him oh blessed be his name how I
rejoice within when I sing for him
As I sing a melody that he gave when I speak God's
name in song or kneel to pray
Oh I have a special feeling deep within when I sing for
him
When I sing for him in person hallelujah when I move to
my new home hallelujah
Oh the angels will be singing hallelujah amen when I
sing for him when I sing for him
Oh when I sing for him in person...
When I sing for him
