When you live in the country everybody is your neighbor

On this one thing you can rely

They'll all come to see you and never ever leave you

Saying y'all come to see us by and by

Y'all come (y'all come) y'all come (y'all come) y'all

come to see us when you can

Y'all come (y'all come) y'all come (y'all come) y'all

come to see us now and then

Well kinfolks're comin' they're comin' by the dozen

Eatin' everything from soup to hay

And right after dinner they ain't looking any thinner

And here's what you could hear them say

Y'all come (y'all come)...

Now grandma's a wishing they'd come out to the

kitchen

And help her do the dishes right away

But they all start a leavin' grandma's a grievin' you can

hear my grandma say

Y'all come (y'all come)...

Oh y'all come to see us now and then
