You've come to tell me something you say I ought to  
know  
That he don't love me anymore and I'll have to let him  
go  
You say you're gonna take him oh but I don't think you  
can  
Cause you ain't woman enough to take my man  
Women like you they're a dime a dozen you can buy  
'em anywhere  
For you to get to him I'd have to move over and I'm  
gonna stand right here  
It'll be over my dead body you better get out while you  
can  
Cause you ain't woman enough to take my man  
[ ac.guitar ]  
Sometimes a man start lookin' at things that he don't  
need  
He took a second look at you but he's in love with me  
I don't know where they leave you oh but I know where  
I'll stand  
And you ain't woman enough to take my man  
Well women like you...  
No you ain't woman enough to take my man
