Don't hold back, baby
I want you to give me all your love
Cause tonight it's on

You come around me
Shaking your thing around
But you can't keep turnin' me on like
Girl, I just can't hold it down

Girl, lay your body
Right here next to mine
You can ride like a pony on a merry-go-round
You can ride it anytime

I wanna know how deep is your love
I wanna fall so deep in your love
I wanna rock and roll and lose control
Inside your candy rain

Sexy lady, break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit, baby

In the mornin' break it off
In the evenin' take it off
My body needs your lovin', girl
So break me off a little bit

No more hesitating
Baby, let me help you take your clothes off
Drink a little wine and relax your mind
I guarantee we'll both get off

Tell me, can you handle this, I wanna get scandalous
I wanna taste your candy, girl
And when your sugar drip, let it drip upon my lips
On and on and on and on and on

I wanna know how deep is your love
I wanna fall so deep in your love
I wanna rock and roll and lose control

Inside your candy rain

Sexy lady, break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit

In the mornin' break it off
In the evenin' take it off
My body needs your lovin', girl
So break me off a little bit

Baby, keep it right there
Slow and easy is the way I wanna love your body
Run my fingers through your hair
Stare into my eyes and say you want this, baby

Wanna love you all night
Until the mornin' light
Girl, what does it take, I don't wanna wait
Just a little piece of your love

Sexy lady, break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit

In the mornin' break it off
In the evenin' take it off
My body needs your lovin', girl
So break me off a little bit

Sexy lady, break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit

In the mornin' break it off
In the evenin' take it off
My body needs your lovin', girl
So break me off a little bit

Sexy lady, break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit

In the mornin' break it off
In the evening take it off
My body needs your lovin', girl
So break me off a little bit

Sexy lady, break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit

In the mornin' break it off
In the evening take it off
My body needs your lovin', girl
So break me off a little bit
