Don't hold back, baby
I want you to give me all your love
'Cause tonight it's on
You come around me
Shaking your thing around
But you can't keep turnin' me on like that
Girl, I just can't fool around
Girl, lay your body
Right here next to mine
You can ride like a pony on a merry-go-round
You can ride it anytime
I wanna know how deep is your love (Yeah)
I wanna fall so deep in your love
I wanna rock and roll and lose control
Inside your candy rain
Sexy lady (Ah), break it off
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit, baby
In the mornin' break it off
In the evenin' take it off (Take it off)

My body needs your lovin', girl
So break me off a little bit (Little bit)
No more hesitating
Baby, let me help you take your clothes off
Drink a little wine and relax your mind
I guarantee we'll both get off
Tell me, can you handle this, I wanna be scandalous
(I wanna taste your candy, girl)
And when your sugar drip, let it drip upon my lips
(On and on and on and on and on)
I wanna know how deep is your love (Yeah)
I wanna fall so deep in your love (Ooh)
I wanna rock and roll and lose control
Inside your candy rain, woo
Sexy lady, break it off (Ooh)
My darlin' baby, break it off
My body needs your lovin', girl
So break me off a little bit (In the mornin')
In the mornin' (Yeah) break it off (Uh-huh)
In the evenin' take it off (Till the evenin')
My body needs your lovin', girl
So break me off a little bit
(Whoa...oh...whoa...oh...)
Baby, keep it right there (Keep it right there)
Slow and easy is the way I wanna love your body

Run my fingers through your hair (Fingers through your
hair)
Stare into my eyes and say you want this, baby
Wanna love you all night
Until the mornin' light
Girl, what does it take, I don't wanna wait (I don't
wanna wait)
Just a little piece of your love
Sexy lady, break it off
My darlin' baby, break it off (My darlin' baby)
My body needs your lovin', girl
So break me off a little bit (In the mornin')
In the mornin' break it off {In the mornin', yeah}
In the evenin' take it off {In the evenin', yeah...}
My body needs your lovin', girl
So break me off a little bit {Sexy lady}
Sexy lady, break it off (Oh...oh...oh...) {Whoa, whoa,
whoa, whoa}
My darlin' baby, break it off (Yeah)
My body needs your lovin', girl (Body)
So break me off a little bit {In the mornin'}
In the mornin' break it off {Mornin', mornin', yeah}
In the evenin' take it off {In the evenin', evenin',
yeah}
My body needs your lovin', girl
So break me off a little bit (Break me off a little

bit)

Sexy lady, break it off (Oh...oh...)

My darlin' baby, break it off {Whoa, whoa}

My body needs your lovin', girl {Your love}

So break me off a little bit (Break me off, baby)

In the mornin' break it off

In the evening take it off (Oh, oh,

ooh...whoa...oh...oh...)

My body needs your lovin', girl

So break me off a little bit (I need lovin')

Sexy lady, break it off

My darlin' baby, break it off (Break me off, girl, oh)

My body needs your lovin', girl

So break me off a little bit {All I'm askin', babe}

In the mornin' break it off {In the mornin', yeah}

In the evening take it off {In the evenin', yeah}

My body needs your lovin', girl

So break me off a little bit
