All aboard now
Jump up on the H tonight where everything just feels
so, you know
Get up gotta gotta get down alright
You gotta make your momma proud

Oh yeah, come on get off or get on
the train leaves at dawn
Get off or get on
(just tell me where you wanna go)

Just keep it moving like a hurricane turn it around again
Just keep it shaking like a rattlesnake now just jump
right out of your skin

Get your drinks now come inside and form a line
We gotta make some tracks through town
Scream it out now scream it out loud all night
Hey just touch the third rail

Oh yeah, come on get off or get on
the train leaves at dawn
Get off or get on
(just tell me where you wanna go)

Just keep it moving like a hurricane turn it around again
(and again and again)
Just keep it shaking like a rattlesnake now just jump
right out of your

Just keep it moving like a hurricane turn it around again
(and again and again)
Just keep it shaking like a rattlesnake now just jump
right out of your skin

One night the engine got too hot
But with the sound of the ignition we went somewhere
to talk
Hell, we almost burned the house down
Or set off the alarms
But when you hear the whistle blowin'

You just gotta get back on

Everybody

Just keep it moving like a hurricane turn it around again
(and again and again)
Just keep it shaking like a rattlesnake now just jump
right out of your

Just keep it moving like a hurricane turn it around again
(and again and again)
Just keep it shaking like a rattlesnake now just jump
right out of your skin
Out of your skin
Out of your skin
Skin
