There was a time, I used to look into my father's eyes  
In a happy home, I was a king I had a gold throne  
Those days are gone, now the memories are on the  
wall  
I still hear the sounds from the places that I was born

Chorus:

Up on the hill across the blue lake  
That's where I had my first heart break  
I still remember how it all changed  
My father said  
Don't you worry, don't you worry child  
See heaven's got a plan for you  
Don't you worry, don't you worry now

Oooooo oooooo

There was a time, I met a girl of a different kind  
We ruled the world  
I thought I'll never lose her out of sight  
We were so young, I think of her now and then  
I still hear the songs reminding me of a friend

Chorus:

Up on the hill across the blue lake  
That's where I had my first heart break  
I remember how it all changed  
My father said  
Don't you worry, don't you worry child  
See heaven's got a plan for you  
Don't you worry, don't you worry now  
Yeah!

Oooooo oooh

Baby don't you worry, don't you worry  
Don't you worry child
