I believe for every drop of rain that falls
A flower grows,
I believe that somewhere in the darkest nights
A candle glows,
I believe for everyone who goes astray
Someone will go to show the way,
I believe, Oh, I believe.
I believe above the storm
The smallest breath will still be heard,
I believe that someone in the great somewhere
Is everywhere,
Ever time I hear a new born baby cry, or touch a leaf, or
see the sky,
Then I know why I believe...
Every time I hear a new bron baby cry, or touch a leaf,
or see the sky,
Then I know why... I... Believe...
(Sax)
Mmmm
I Believe
