I can't believe my eye  
Watchin you on sunset strip  
Wearin all that glam rock makeup  
In drag and buckin your hip

Glam rock faggot  
All you are is a  
Glam rock fag  
Chicks with dicks  
Chicks with dicks

Ya hang out on the strip  
Heh tryin to pick up on chicks  
With that girlish makeup dressed in drag  
I'm sorry you all have dicks  
I don't like you lookin like a woman  
When I'm lookin like a man  
I'm gonna have to smack your face  
And kick you in your fucking can

Chicks with dicks  
Out on the strip  
Every day and every night  
All you are is chicks with dicks  
Your not no rock n roller to me  
Your chicks with dicks  
Drag queens  
Fags  
Chicks with dicks  
Your all dressed in drag

Then you think your rockin  
But out back a dick the're suckin  
Come on now grow up  
And do it like a man  
Shave your head  
And play rock n roll  
And don't put on a posin show  
Cause I know how to rock  
And I look like a man with a cock

Chicks with dicks

All you are is chicks with dicks  
Chicks with dicks  
I'm talkin to a drag queen  
Chicks with dicks  
You know what I mean  
Chicks with dicks  
The guys on sunset strip  
That think the're so cool  
The're chicks with dicks  
They make a faggot wanna drool

Chicks with dicks

Call in the skinheads  
Call in the mafia  
Let's clean up the show  
Cause these guys go to the top  
And they give the producers a blow  
Faggots and homos they used  
To hang out at the starwood and whiskey  
But to get to the top with the dudes  
They get friskey

Chicks with dicks  
Posers  
Fags!
