Yeah yeah yeah
Ooh ooh
No oh oh oh whoa
Yeah

Hold up can't let you walk by.
You're a star and youve got me on fire.
Tonight I'm not gonna let you go.
I'm gonna make you famous tonight.
Yeah yeah.

Supermodel with a body to die for.
Just say the word and we can leave tonight.
Hop in the ride and lets get away.
I wanna get away tonight.
(T-tell em why)

Girl, I've never seen nobody do it like you do.
The way you work it baby,
Makes me wanna break every rule. (every rule)
Ah eye candy, Ah ah eye candy.
Ah eye candy, Ah ah eye candy.
Baby, every move you make I swear is killing me.
(killing me)
And tonight girl youve got everything I need.
Ah eye candy, Ah ah eye candy. (yo)
Ah eye candy, Ah ah eye candy.

Baby, I can tell that you like to get it poppin'.
At least you're not afraid when the boys start watching.
(watching)
Up in this spot, you're a superstar baby baby.
From head to toe, you're a superstar baby baby.
That's why I gotta make you mine,
Gotta make you mine, girl tonight.
Wont stop til we see sunlight, see sunlight, see
sunlight.
Girl, you look so good to me, (Girl, you look so good to
me)
Tonight you're coming home with me.
(T-tell em why)

Girl, I've never seen nobody do it like you do.
The way you work it baby,
Makes me wanna break every rule.
Ah eye candy, Ah ah eye candy.
Ah eye candy, Ah ah eye candy.
Baby, every move you make I swear is killing me.
And tonight girl youve got everything I need.
Ah eye candy, Ah ah eye candy. (yo)
Ah eye candy, Ah ah eye candy.

Ooh.
Baby, I can give you every thing you need.
Just keep doing what you're doing to me.
I know I'm young but girl you're coming back with me.
Lets take this to another level.

I can make you see how this thing can be.
We can start tonight, tonight. (start tonight)
Show you things that youve never seen before.
I'll be treating you right.
Oh!

Girl, I've never seen nobody do it like you do.
The way you work it baby,
Makes me wanna break every rule. (every rule)
Ah eye candy, Ah ah eye candy.
Ah eye candy, Ah ah eye candy.
Baby, every move you make I swear is killing me.
(swear is killing me)
And tonight girl youve got everything I need.
Ah eye candy, Ah ah eye candy. (yeah)
Ah eye candy, Ah ah eye candy.

Ooh, oh oh oh.
Ooh, oh oh oh.
Ooh, oh oh oh
