Uh.
Man.
(I gotta, I gotta)
You see that girl over there?
(Shes bad)
I gotta get her.
(I gotta, I gotta)
Lets do it.

Walks in like something, like some something,
Out of magazines.
Hips switching each way,
In ways a dude aint never seen.
So I approach,
Get all my stuff,
Walk up real cautiously.
I said, How you doing?
What's good wit chu? and
What up with the number and name?

(Mama)
Mama, let go of the temper. (temper)
Just wanna get to know you better. (better)
I'm a good fella, baby,
Better than the dudes you treasure.
You'll see it sooner or later.
(That you should be with me, girl)
It's some kind of voodoo you're using,
That got me feeling this way.
Girl, you
Don't wanna turn away or regret.
Get to know me, it'll be your best bet.
Gotta get it before she leaves.
I gotta, I gotta, gotta, gotta, gotta have her, man.
(I gotta)
I gotta, I gotta, gotta, gotta, gotta have her, man.
(I gotta)
I gotta, I gotta, gotta, gotta, gotta have her, man.
I gotta, I gotta, I gotta, I gotta, I gotta.
Man, I gotta have her.
(Hey, hey)

One look is all that it took. (It took)
To get me locked in a trance. (Uh huh)
This girl got class, a lot of sass.
Mami got is as cool as a fan
So Imma observe,
Baby, just enough.
All we need is just one dance.
To get it poppin.
She'll be mine then.
Imma get the number and name

(Mama)
Mama, let go of the temper. (temper)

(I gotta)
I gotta, I gotta, gotta, gotta, gotta have her, man.
I gotta, I gotta, I gotta, I gotta, I gotta.
Man, I gotta have her.

It's plain to see,
That shell be right next to me.
Cuz you're as fly as can be.
And you're just my type.
Gotta make you mine.
You got
(Got me one more, got me one more, got me one
more, gotta give me more, gotta give me more)
Hey, it's getting late
But I gotta have her for me.

Hey (Oh oh)
Come here girl (Hey)
Why you gotta act like that?
I just wanna dance with you.
Cmon, uh.

I gotta, I gotta, gotta, I gotta, I gotta, gotta.

I gotta, I gotta, gotta, I gotta.
(I gotta)

I gotta, I gotta, gotta, gotta, gotta have her, man.
(I gotta)

I gotta, I gotta, gotta, gotta, gotta have her, man.
(I gotta)

I gotta, I gotta, gotta, gotta, gotta have her, man.

I gotta, I gotta, I gotta, I gotta, I gotta.

Man, I gotta have her.
