My erection is over, my erection is over
I thought of you a few times
But baby, you don't make me spew
Not you, I can't spew thinkin' of you...yuk
Thinkin' of you...gross, thinkin' of you
I want me a chick with a fat ass
She's got to be a slut and be real crass
I don't want some cosmo model like you
You're unlike a magazine
I can throw it across the room when I'm through

My erection is over...yeah!
O-v-e-r, over
Get of my house,
Get out, you're booted
Because my erection is over...get out!
I want me chick with a fat ass,
It turns me on
I want me a sleazy slut
Who can give a tongue bath to my butt
My erection is over...it's over, it's all over
