Ooh.  
Yeah.  
My friends say that I  
Should move on with my life.  
It's easier said than done,  
Cuz I know that I've tried.  
They say it's time  
To go our separate ways.  
But I'm paralyzed,  
And believe me when I say,

If I could live without you,  
I would just walk away.  
But I feel sick when I'm not around you.  
Like I'm allergic to the pain.  
If I could breathe without you,  
I would let go of your hand.  
But every time I try,  
I feel like half a man.  
So it's obvious I cant.  
(Its obvious I cant)

No prayers of love  
Have fallen way too far.  
There's no cure, no drug  
To heal my burning heart.  
Don't say it's time,  
To go our separate ways.  
Cuz I'm paralyzed.  
And it wouldn't last for a single day.

If I could live without you,  
I would just walk away.  
But I feel sick when I'm not around you.  
Like I'm allergic to the pain.  
If I could breathe without you,  
I would let go of your hand.  
But every time I try,  
I feel like half a man.  
So it's obvious I cant.  
(Its obvious I cant)

(It's obvious I can't)

Oh, it's obvious. I need you love.  
So don't you ever go away.  
No, I need you girl,  
In my life,  
Every minute, every day.

If I could live without you,  
I would just walk away.  
But I feel sick when I'm not around you.  
Like I'm allergic to the pain.  
If I could breathe without you,  
I would let go of your hand.  
But every time I try,  
I feel like half a man.  
So it's obvious I can't.

If I could live without you,  
I would just walk away.  
But I feel sick when I'm not around you.  
Like I'm allergic to the pain.  
If I could breathe without you,  
I would let go of your hand.  
But every time I try,  
I feel like half a man.  
So it's obvious I can't.  
(Na na na na na na na na na)  
It's obvious I can't.  
(Na na na na na na na na na)  
(Ooh)  
It's obvious I can't.  
(Ohh)
