Oh (oh oh)
Yeah (yeah yeah)
Oh oh oh oh oh
Uh uh uh uh ohhh.

So you wanna take a picture with me? (Yeah. Ok.)
I hear you wanna take a picture with me? (Yeah. Ok.)
So you wanna take a picture with me? (Yeah. Ok.)
Come on in and take a picture with me (Ok.)

So many things going through my brain
Temptation driving me insane
Loving the way you do your thing.
You know the deal (girl I know u wanna)
Everything you do got me wanting more
Girl I'm so ready to explore

I hear you calling.
Baby you got me falling.
Wanna make an arrangement with you.
Oh!

Girl I see you looking and I know, I know exactly what
you want girl (I know you wanna take a picture with me)
What you want girl (I know you wanna take a picture
with me)
I try my best to fight it but it's so hard to deny, what you
want girl (I know you wanna take a picture with me)
What you want girl (I know you wanna take a picture
with me)

Tell her yes.
Tell her no.
Let her stay.
Let her go.
Oh-oh!

Hear the knock on the door (shh)
Gotta keep it on the low
Ooh woah (I know u wanna take a picture with me)
Ooh woah (so cmon in and take a picture with me)

Tell me flip it up.
Hey nena yo te quiero conocer
Vente conmigo pero a las escondidas
Me encanta el movimiento que tiene tu cuerpo
Porque seduce mis pensamientos

Trying to get a way, but they pulling me
Ladies everywhere but it's you I see
Breaking me down, oh baby.
You know the deal (girl I know you wanna)
Can't get you off my mind
No matter how hard I try

I hear you calling.
Baby you got me falling.
Wanna make an arrangement with you.

Girl I see you looking and I know, I know exactly what
you want (I know you wanna take a picture with me)
What you want girl (I know you wanna take a picture
with me)
I try my best to fight it but it's so hard to deny, what you
want girl (I know you wanna take a picture with me)
What you want girl (I know you wanna take a picture
with me)

Tell her yes.
Tell her no.
Let her stay.
Let her go.
Oh-oh!

Hear the knock on the door (shh)
Gotta keep it on the low
Ooh woah (I know you wanna take a picture with me)
Ooh woah (I know you wanna take a picture with me)
Tell me flip it up.
Hey nena yo te quiero conocer
Vente conmigo pero a las escondidas
Me encanta el movimiento que tiene tu cuerpo porque
seduce mis pensamientos

I hear you calling.
Baby you got me falling.
Wanna make an arrangement with you.
We can do whatever if you keep it on the low.
So come on take this picture girl, nobody has to know

Girl I see you looking and I know, I know exactly what
you want (I know you wanna take a picture with me)
What you want girl (I know you wanna take a picture

with me)
I try my best to fight it but it's so hard to deny, what you
want girl (I know you wanna take a picture with me)
What you want girl (I know you wanna take a picture
with me)

Tell her yes.
Tell her no.
Let her stay.
Let her go.
Oh-oh!

Hear the knock on the door (shh)
Gotta keep it on the low
Ooh woah (I know you wanna take a picture with me)
Ooh woah (so cmon in and take a picture)

Yo te digo que yo te quiero y te deseo si, solo para mi
(oh ooh baby, oh ooh baby)
Yo te digo que yo te quiero y te deseo si, solo para mi
(oh ooh baby, oh ooh baby)
