I went out drinkin', drinkin' with the boys
I had to do it to get all my joys
I got drunk, so high on some booze
Comin home baby, to give you a bruise

Rock 'em, Sock 'em, it's a gas
Rock 'em, Sock 'em, gonna kick your ass
Rock 'em, Sock 'em, it's a gas
Gonna come home drunk
And kick your big, fat ass

Seein' other guys
With the makeup all over your eyes
I had to learn her the law of the land
I showed her the power of my back hand

Rock 'em, Sock 'em, it's a gas
Rock 'em, Sock 'em, gonna kick your ass
Rock 'em, Sock 'em, it's a gas
Gonna come home drunk little woman
And kick your big, slutty ass

And I'm gonna beat you
And whip you with my belts
On your face I'm gonna leave some bruises
On your ass I'll leave some welts
No no, I don't want to miss her
Gonna pop her in the kisser
No no, I don't want to hear you nag
Gonna use your face for a punching bag

Beat you and beat you and beat you and beat you
I'm gonna punch you where you kiss
And I'm gonna beat you baby
If you love me, drink my piss

Rock 'em, Sock 'em, it's a gas
Rock 'em, Sock 'em, gonna kick your ass
Rock 'em, Sock 'em, it's a gas
Gonna come home drunk and kick your big, fat ass

Pig beating pig beating pig beating

That's how I get my kicks
Take that slut

Oh oh, this time I don't want to miss her
Gonna punch her in the kisser
Oh oh, don't want to listen to you nag
Gonna use your face for a punching bag
