Back where we started.  
Like we're going around in a circle.  
And I can expect every argument.  
'Cause when you're mad it's inevitable

It's getting old.  
So predictable.  
And that don't work for me.

The love is gone. Gone away.  
Feels like I'm trapped in a familiar place.  
'Cause it's the same cliche.  
Tired of the same cliche.  
Girl, I'm so sick of this love being the same cliche.

When I don't do the things you want you always let me  
know.  
Well, I'm tired of the same routine.  
It's time to change the cast in the show. No-oh!

It's getting old.  
So predictable.  
And that don't work for me.

The love is gone. Gone away.  
Feels like I'm trapped in a familiar place.  
'Cause it's the same cliche.  
Tired of the same cliche.  
Girl, I'm so sick of this love being the same cliche.  
Feels like I'm trapped in a familiar place.  
'Cause it's the same cliche.  
Tired of the same cliche.  
Girl, I'm so sick of this love being the same cliche.

It's like we are stuck in time.  
Ooo, I can predict what's gonna happen next, girl.  
And baby let's take it off of rewind. Rewind. Rewind. No-  
oh!

The love is gone. Gone away.  
Feels like I'm trapped in a familiar place.

'Cause it's the same cliché.  
Tired of the same cliché.  
Girl, I'm so sick of this love being the same cliché.  
Feels like I'm trapped in a familiar place.  
'Cause it's the same cliché.  
Tired of the same cliché.  
Girl, I'm so sick of this love being the same cliché
