Here comes my secretary hump
I'm gonna cram my dick up her rump
She works all day from nine to five
She's kickin' up my sex drive
Now I'm gonna open her mouth real wide
And cram my big dick inside

Now, I'm just an executive on the job
And I'm just a horny slob
Here comes my secretary hump
Gonna cram my dick up her rump
Then I'm gonna open her pussy lips real wide
Then I'm gonna cram my infected dick inside

Oh gettin' my urge up
She looks so sexy
Long fingernails, short little skirt
Can't hold back any longer
Can't stop myself

Ha, ha, ha, ha, rape, rape, rape, rape, rape, take charge
Here comes my secretary hump
Gonna cram my dick up her rump
Then I'm gonna spread her butt cheeks real wide
And hock a luggie inside
She knew what to do around the clock
She knew how to blow my cock
She knew what to do when hired
If she doesn't put out, she's fired

Ah, you want to raise a baby?
Get it on with big, boss, daddy man
Don't look at me like you're too smart
You're just a little tart

You want a raise?
Unzip my zipper, I'll give you a raise
Ha, ha, ha, ha, rape, rape, rape, rape, take charge
