Let me tell you about this story
(La la la la)
Yeahhh

Quarter to five, been up all night
She's not home, and I don't know why
Anybody seen my baby girl?
Anybody seen my whole world?

Is she comin back? can't count on that
I been callin everyone, they don't know where she's at
Anybody seen my baby girl? (baby girl)
Anybody seen my whole world? (my whole world)

See the thing about this girl, (see I stole her away, stole
her away)
I couldn't keep my hands off her, (so I stole her away,
stole her away)

I guess I deserve what I got (what I got)
See I already knew that she was hot (she was hot)
She was stolen, like sand from the ocean,
Stolen should've seen where this was going
Never should've let her in my heart
Cause she was never mine, never mine from the start
Stolen, now she's rollin rollin stolen
Took off with my emotions
And now I'm broken
Stolen stolen so broken
Stolen stolen so broken
Yeah stolen stolen

See the things you do, they come back on you
But how could I resist this precious jewel
Ain't nobody like her in the world
That's why I had to have this baby girl
Stolen kisses stolen love
She was up and running with it
Before I knew what was up
Should've never touched her
Now I'm begging for my crimes next show (?)

See the thing about this girl, (see I stole her away, stole
her away)
Said he wasn't good to her, (so I stole her away, stole
her away)

I guess I deserve what I got (what I got)
See I already knew that she was hot (she was hot)
She was stolen, like sand from the ocean,
Stolen should've seen where this was going
Never should've let her in my heart
Cause she was never mine, never mine from the start
Stolen, now she's rollin rollin stolen
Took off with my emotions
(Damn girl)
And now I'm broken
Stolen stolen so broken
Stolen stolen so broken
Yeah stolen stolen

She was my sun
Could've been the one
Guess I have to,
Just pick up the pieces and move
Pick up the pieces and move on
(Hey)

I guess I deserve what I got (what I got)
See I already knew that she was hot (she was hot)
She was stolen, like sand from the ocean,
Stolen should've seen where this was going
Never should've let her in my heart
Cause she was never mine, never mine from the start
Stolen, now she's rollin rollin stolen
Took off with my emotions
And now I'm broken
Stolen stolen so broken
Stolen stolen so broken
Yeah stolen stolen

Woo
Menudo
Here we go
The new generation
You know who we be
Uh whoa oh- whoa- oh oh-oh
