Went away for the summer
To a place an angel held my hand.
On that island so far away,
We left more than footprints in the sand.

I've been patiently waiting.
Til I make it for me and you.
Even though it's so hard to hang on when were so far
apart,
I believe in what we are.

One day, gonna treat you like a lady.
Nothing in between or maybe.
Gonna make you feel like summer never ends.
One day, Imma get you back the magic.
Gonna relive every moment.
Gonna give you un verano sin final.

Uh-uh, uh-uh, uh-uh, Menudo.
Uh-uh, uh-uh, uh-uh, Menudo.

When I look out my window,
Nothing in the world seems real to me.
All I see is the memory
Of that secret place where we would meet.
One day well be together
And do more than remember when
I held you, you held me, and we danced in the street.
You and me, were gonna be back there again.

One day, gonna treat you like a lady.
Nothing in between or maybe.
Gonna make you feel like summer never ends.
One day, Imma get you back the magic.
Gonna relive every moment.
Gonna give un verano sin final.

Coming for you girl,
Gonna make your world.
You have everything
You will ever need.

So don't turn away
Have a little faith.
Just believe in me.
Woah woah, yeah yeah yeah yeah.

One day, gonna treat you like a lady.
Nothing in between or maybe.
Gonna make you feel like summer never ends.
(Summer never ends)
One day, Imma get you back the magic.
Gonna relive every moment.
Gonna give you un verano sin final. (Verano sin final)

One day, gonna treat you like a lady.
Nothing in between or maybe.
Gonna make you feel like summer never ends. (Verano
sin final)
One day, Imma get you back the magic.
Gonna relive every moment.
Gonna give you un verano sin final.

Uh-uh, uh-uh, uh-uh, Menudo.
Uh-uh, uh-uh, RedOne, Menudo.

Yeah-oh, oh oh, oh oh.
Verano sin final.
(Verano sin final)
(Verano sin final)
